

Noise. Cancelled.

The ultimate headphones for travellers, Beoplay H95 features exceptional Adaptive Active Noise Cancellation that provides you with peaceful silence in any environment.

Tuned by our industry-leading acoustic engineers, H95 delivers outstanding sound performance with titanium drivers and seamless Bluetooth 5.1 wireless connection.

Crafted using soft lambskin ear cushions with memory foam, H95 provides long lasting comfort throughout your entire journey.

Elegant and intuitive user controls allow quick toggling between noise cancelling and transparency modes, and other functions. Four built-in microphones make all your calls crystal clear, and H95 supports Native Voice assistant technology.
