ENGLISH

Important safety instructions

- Read these instructions.
- Keep these instructions.
- Heed all warnings.
- Follow all instructions.
- Clean only with dry cloth.
- Install in accordance with the manufacturer's instructions.
- Do not install near any heat sources such as radiators, heat registers, stoves, or other apparatus (including amplifiers) that produce heat. Only use attachments/accessories specified by the manufacturer. Refer all servicing to qualified service personnel. Servicing is required when the apparatus has been damaged in any way, such as power-supply cord or plug is damaged, liquid has been spilled or objects have fallen into the apparatus, the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped.
- No naked flame sources, such as lighted candles should be placed on the apparatus.

Hereby, Bang & Olufsen A/S declares that the radio equipment type Beocom EX is in compliance with Directive 2014/53/EU. The full Declaration of Conformity can be found at the following web site: on.beo.com/beocom-ex-support.

Compliance with 2014/53/EU Radio Equipment Directive (RED)

In accordance with Article 10.8(a) and 10.8(b) of the RED, the following table provides information on the frequency bands used and the maximum RF transmit power of the product for sale in the EU:

Frequency range (MHz)	Max. Transmit Power (dBm)
2402-2480MHz	≤ 15 dBm
111-205 kHz	42.06 dBuV/m

The product firmware is available for download from the Bang & Olufsen App.

Accessories: Beocom EX unit, EX Charging case, USB charging cable, Quick start guide & Important information.

The product to be sold in all European Union member and EFTA countries.

Risk of explosion if battery is replaced by an incorrect type.
Dispose of used batteries according to the instructions

English

WEEE

The WEEE logo (shown at the left) on the product or on its box indicates that this product must not be disposed of or dumped with your other household waste. You are liable to dispose of all your electronic or electrical waste equipment by relocating over to the specified collection point for recycling of such hazardous waste. Isolated collection and proper recovery of your electronic and electrical waste equipment at the time of disposal will allow us to help conserving natural resources. Moreover, proper recycling of the electronic and electrical waste equipment will ensure safety of human health and environment. For more information about electronic and electrical waste equipment disposal, recovery, and collection points, please contact your local city center, household waste disposal service, shop from where you purchased the equipment, or manufacturer of the equipment.

RoHS compliance

This product is in compliance with Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011, on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS) and its amendments.

Prolonged listening at high volume levels may cause hearing damage.

Important!

- Make sure that the product is set up, placed and connected in accordance with the instructions.
- Do not place any items on top of your product.
- Do not subject the product to high humidity, rain or sources of heat.
- Leave enough space around the product for adequate ventilation.
- Do not attempt to open the product. Leave such operations to qualified service personnel.

DANSK

Vigtige sikkerhedsinstruktioner

- Læs disse instruktioner.
- Opbevar disse instruktioner.
- Respekter alle advarsler.
- Følg alle instruktioner.
- Rengør kun med en tør klud.
- Installer enheden i overensstemmelse med producentens anvisninger. Undgå installation i nærheden af varmekilder såsom radiatorer, komfurer eller øvrige apparater (inkl. forstærkere), der genererer varme. Brug kun tilbehør, der er godkendt af producenten.
- Alt servicering skal foretages af fagpersonale. Servicering er kun nødvendig, når apparatet er blevet beskadiget, f.eks. hvis strømledningen har taget skade, der er blevet spildt væske på apparatet, der er kommet fremmedlegemer ind i apparatet, eller apparatet er blevet udsat for regn eller fugt, ikke fungerer normalt eller er blevet tabt. Ingen blottede flammekilder såsom tændte stearinlys må placeres på produktet.

Bang & Olufsen A/S erklærer hermed, at radioudstyret type Beocom EX er i overensstemmelse med direktiv 2014/53/EU. Den fuldstændige overensstemmelseserklæring fremgår af følgende side: on.beo.com/beocom-ex-support.

I overensstemmelse med radioudstyrsdirektivet 2014/53/EU (RED)
I overensstemmelse med paragraf 10.8(a) og 10.8(b) tilhørende RED – følgende tabel indeholder oplysninger om de benyttede frekvensområder og den maksimale RF-sendeeffekt for produktet, når det sælges i EU:

Frekvensområde (MHz)	Maks. sendeeffekt (dBm)
2402-2480MHz	≤ 15 dBm
111-205 kHz	42.06 dBuV/m

Produktets firmware er tilgængeligt til download fra appen Bang & Olufsen.

Tilbehør: Beocom EX-enhed, EX ladetaske, USB-opladningskabel, lynguide og vigtige oplysninger.

Produktet markedsføres til salg i alle EU-medlemsstater og EFTA-lande.

Der er risiko for eksplosion, hvis batteriet udskiftes med en forkert type. Kassering af brugte batterier skal ske i overensstemmelse med instruktionerne.

WEEE

Dansk (Danish)

WEEE-logoet (vist til venstre) på produktet eller dets æske indikerer, at produktet ikke må kasseres sammen med almindeligt husholdningsaffald. Du er ansvarlig for kassering af dit elektroniske eller elektriske affald ved at indlevere det på et behørigt genbrugscenter, således at den type farlige affald kan blive genanvendt. Isoleret indsamling og korrekt genudvinding af dit elektroniske og elektriske udstyrsaffald i forbindelse med kassering hjælper os med at bevare naturens ressourcer. Yderligere sikrer korrekt genanvendelse af elektronisk og elektrisk udstyrsaffald forbedret folkesundhed og miljø. Du kan få yderligere oplysninger om kassering af elektronisk og elektrisk udstyr samt genbrugscentre ved at kontakte dit lokale kommunekontor, det lokale renovationselskab, den butik, hvor du har købt udstyret eller producenten af udstyret.

Overensstemmelse med RoHS

Dette produkt er i overensstemmelse med EU-direktiv 2011/65/EF af 8. juni 2011 inkl. ændringer vedr. begrænset anvendelse af visse farlige stoffer i elektrisk og elektronisk udstyr (RoHS).

Hvis du lytter til høj musik i længere tid, kan det medføre høreskader!

Vigtigt!

- Sørg for, at produktet sættes op, placeres og tilsluttes i overensstemmelse med instruktionerne.
- Anbring ikke genstande oven på produktet.
- Udsæt ikke produktet for høj luftfugtighed, regn eller varme.
- Sørg for, at der er plads nok omkring produktet til at sikre tilstrækkelig ventilation.
- Forsøg aldrig at åbne produktet. Produktet må kun åbnes af uddannede serviceteknikere.

DEUTSCH

Wichtige Sicherheitshinweise

- Lesen Sie diese Hinweise.
- Bewahren Sie diese Hinweise auf.
- Beachten Sie alle Warnungen.
- Folgen Sie allen Hinweisen.
- Reinigen Sie es ausschließlich mit einem trockenen Tuch.
- Folgen Sie bei der Installation den Anweisungen des Herstellers. Platzieren Sie das Gerät nicht in der Nähe von Wärmequellen wie Heizkörpern, Wärmespeichern, Öfen oder anderen Geräten
- (einschließlich Verstärkern), die Wärme erzeugen.
- Benutzen Sie nur vom Hersteller empfohlene Erweiterungen/Zubehörteile.
- Lassen Sie alle Wartungsmaßnahmen durch qualifiziertes Fachpersonal durchführen. Eine Wartung ist erforderlich, wenn das Gerät in irgendeiner Weise beschädigt wurde – falls zum Beispiel das Stromversorgungskabel oder der Stecker beschädigt ist, Flüssigkeit darüber verschüttet wurde oder Gegenstände in das Gerät gefallen sind, das Gerät Regen oder Feuchtigkeit ausgesetzt wurde, nicht ordnungsgemäß funktioniert oder fallengelassen wurde. Stellen Sie kein offenes Feuer, wie z. B. brennende Kerzen, auf das Gerät.

Hiermit erklärt Bang & Olufsen A/S, dass das Radiogerät vom Typ Beocom EX die Richtlinie 2014/53/EU erfüllt. Die vollständige Konformitätserklärung ist auf der folgenden Website erhältlich: on.beo.com/beocom-ex-support.

Erfüllt die Funkgeräte Richtlinie 2014/53/EU (RED)

In Übereinstimmung mit Artikel 10.8(a) und 10.8(b) der RED bietet die folgende Tabelle Informationen zu den verwendeten Frequenzbändern und zur maximalen Funkfrequenz-Sendeleistung des Produkts, das in der EU vertrieben wird:

Frequenzbereich	Max. Sendeleistung
2402-2480MHz	≤ 15 dBm
111-205 kHz	42.06 dBuV/m

Die Produkt-Firmware steht über die Bang & Olufsen App zum Download bereit. Zubehör: Beocom EX Gerät, EX Ladekoffer, USB-Ladekabel, Kurzanleitung und Wichtige Informationen.

Das Produkt wird in allen Mitgliedsstaaten der Europäischen Union und in den EFTA-Staaten vertrieben.

Wenn ein Akku falschen Typs eingesetzt wird, kann dieser explodieren. Entsorgen Sie verwendete Batterien den Anweisungen entsprechend

WEEE

Deutsch (German)

Das (links abgebildete) WEEE Logo auf dem Produkt oder seiner Verpackung bedeutet, dass dieses Produkt nicht mit dem normalen Hausmüll entsorgt werden darf. Sie sind dafür verantwortlich, Ihre elektronischen oder elektrischen Altgeräte über eine dafür vorgesehene Sammelstelle dem Recycling zuzuführen. Diese getrennte Sammlung und Wiederverwertung Ihrer elektrischen und elektronischen Altgeräte leistet einen Beitrag zur Schonung unserer natürlichen Ressourcen. Darüber hinaus stellt die ordnungsgemäße Wiederverwertung von elektrischen und elektronischen Altgeräten den Schutz der Umwelt und der menschlichen Gesundheit sicher. Weitere Informationen über die Entsorgung von elektrischen und elektronischen Altgeräten, der Wiederverwertung und entsprechende Sammelstellen erhalten Sie von Ihren kommunalen Behörden, dem Lieferanten Ihres Gerätes oder dessen Hersteller.

RoHS-Konformität

Dieses Produkt erfüllt die Anforderungen der Richtlinie 2011/65/EG des europäischen Parlaments und des Rates vom 8 Juni 2011 zur Beschränkung der Verwendung bestimmter gefährlicher Stoffe in Elektro- und Elektronikgeräten (RoHS) einschließlich seiner Ergänzungen.

Eine längere Benutzung bei hoher Lautstärke kann Gehörschäden verursachen!

Wichtiger Hinweis!

- Achten Sie darauf, dass das Gerät entsprechend diesen Hinweisen platziert, angeschlossen und eingestellt wird.
- Stellen Sie keine Gegenstände auf das Gerät.
- Setzen Sie das Gerät nicht hoher Feuchtigkeit, Regen und Wärmequellen aus.
- Lassen Sie um das Gerät stets genug Platz für ausreichende Lüftung.
- Versuchen Sie nicht, das Gerät zu öffnen. Überlassen Sie dies qualifiziertem Servicepersonal.

FRANÇAIS

Consignes de sécurité importantes

- Lisez ces instructions.
- Conservez ces instructions.
- Respectez tous les avertissements.
- Suivez toutes les instructions.
- Nettoyez qu'avec un chiffon sec.
- Installez conformément aux instructions du fabricant.
- N'installez pas près de sources de chaleur telles que des radiateurs, registres de chaleur, poêles, ou d'autres appareils (incluant les amplificateurs) qui produisent de la chaleur.
- N'utilisez que des fixations / accessoires spécifiés par le fabricant. Confiez toutes les réparations à un personnel d'entretien qualifié. Une réparation est obligatoire quand l'appareil a été endommagé de quelque façon que ce soit, par exemple, le cordon d'alimentation ou la fiche a été endommagé, du liquide a été renversé ou des objets sont tombés dans l'appareil, l'appareil a été exposé à la pluie ou à l'humidité, il ne fonctionne pas normalement ou il est tombé. Aucune source de flamme nue, telle que des bougies allumées, ne doit être placée sur l'appareil.

Par la présente, Bang & Olufsen A/S déclare que l'équipement radio de type Beocom EX est conforme à la directive 2014/53/EU. La Déclaration de Conformité complète se trouve sur le site Web suivant : on.beo.com/beocom-ex-support.

Conformité à la directive sur les équipements radio 2014/53/EU (RED)
Conformément à l'article 10.8(a) et 10.8(b) de RED, le tableau suivant fournit des informations sur les bandes de fréquences utilisées et la puissance de transmission RF maximale du produit à vendre dans l'UE :

Gamme de fréquences	Puissance de transmission max.
2402-2480MHz	≤ 15 dBm
111-205 kHz	42.06 dBuV/m

Le firmware du produit est disponible pour téléchargement à partir de Bang & Olufsen App. Accessoires : Unité Beocom EX, boîtier de chargement EX, câble de charge USB, Guide de démarrage rapide & Informations importantes. Le produit à vendre dans tous les pays membres de l'Union européenne et de l'AELE.

Risque d'explosion si la batterie est remplacée par un type incorrect. Jetez les piles usagées conformément aux instructions.

WEEE

Français

Le logo WEEE (affiché à gauche) sur le produit ou sur sa boîte indique qu'il ne doit pas être jeté ou débarrassé avec vos autres déchets ménagers. Vous êtes responsable du rejet de tous vos déchets d'équipements électroniques ou électriques en allant à la déchetterie spécifiée pour leur recyclage. La collecte isolée et la récupération correcte de vos équipements électroniques et électriques au moment de l'élimination nous permettront d'aider à la conservation des ressources naturelles. En outre, un recyclage approprié des déchets d'équipements électroniques et électriques assurera la sécurité de la santé humaine et de l'environnement. Pour en savoir plus sur l'élimination et la récupération des déchets d'équipements électroniques et électriques, et les déchetteries contactez votre municipalité locale, votre service d'élimination des déchets ménagers, le magasin où vous avez acheté l'appareil ou son fabricant

Conformité RoHS

Ce produit est conforme à la directive 2011/65/EC du Parlement Européen et du Conseil du 8 juin 2011 relative à la limitation de l'utilisation de certaines substances dangereuses dans les équipements électriques et électroniques (RoHS) et ses avenants.

Une écoute prolongée à fort volume peut entraîner des pertes d'audition.

Important !

- Vérifier que l'appareil est installé, positionné et connecté conformément aux instructions.
- Ne poser aucun objet sur l'appareil.
- Ne pas exposer l'appareil à un taux d'humidité élevé, à la pluie ou à une source de chaleur.
- Laisser suffisamment d'espace autour de l'appareil pour une ventilation appropriée.
- Ne pas tenter d'ouvrir le boîtier de l'appareil. Les opérations de ce type doivent être confiées à du personnel de maintenance qualifié.

ESPAÑOL

Instrucciones importantes de seguridad

- Lea estas instrucciones.
- Conserve estas instrucciones.
- Siga todas las advertencias.
- Siga todas las instrucciones.
- Limpiar solo con un paño seco.
- Instale este aparato siguiendo las instrucciones de fabricante.
- No instalar cerca de ninguna fuente de calor, como radiadores, registros de calefacción, estufas u otros aparatos (incluidos amplificadores) que generen calor.
- Utilice solo piezas y accesorios especificados por el fabricante. Solicite todas las acciones de reparación o mantenimiento a personal cualificado de servicio. Se necesita una reparación si el aparato ha sufrido daños por cualquier motivo, como si el cable o el enchufe de alimentación están dañados, se ha derramado líquido o han caído objetos dentro del aparato, el aparato ha estado expuesto a la lluvia o a humedad, si no funciona correctamente o ha caído. No colocar fuentes de llama viva, como velas encendidas, encima del aparato.
- La operación de este equipo está sujeta a las siguientes dos condiciones: (1) es posible que este equipo o dispositivo no cause interferencia perjudicial y (2) este equipo o dispositivo debe aceptar cualquier interferencia, incluyendo la que pueda causar su operación no deseada.

Por la presente, Bang & Olufsen A/S declara que el tipo de equipo de radio Beocom EX cumple la directiva 2014/53/EU. Se puede consultar la declaración de conformidad completa en el sitio web siguiente: on.beo.com/beocom-ex-support.

Conformidad con la directiva 2014/53/EU sobre la comercialización de equipos radioeléctricos (RED)

Conforme a los artículos 10.8(a) y 10.8(b) de la RED, la tabla siguiente proporciona información sobre las bandas de frecuencias utilizadas y la potencia de RF transmitida máxima del producto a la venta en la UE.

Intervalo de frecuencias	Potencia transmitida máxima
2402-2480MHz	≤ 15 dBm
111-205 kHz	42.06 dBuV/m

El firmware del producto está disponible para descargar desde la Bang & Olufsen App. Accesorios: unidad Beocom EX, carcasa de carga EX, cable de carga USB, guía de inicio rápido e información importante.

El producto a la venta en todos los países miembros de la Unión Europea y de la EFTA.

Si la batería se sustituye por una de un tipo incorrecto, existe riesgo de explosión. Elimine las baterías usadas conforme a las instrucciones.

WEEE

Español

El logotipo de RAEE (que se muestra a la izquierda) en el producto o en la caja indica que este producto no se debe eliminar con los residuos domésticos sin clasificar. Usted es responsable de eliminar todos sus residuos de equipos eléctricos y electrónicos llevándolos al punto de recogida especificado para reciclar estos residuos peligrosos. La recogida aislada y la recuperación correcta de sus residuos de equipos eléctricos y electrónicos en el momento de la eliminación nos ayuda a conservar recursos naturales. Además, un reciclaje adecuado de los equipos eléctricos y electrónicos garantiza la seguridad de la salud humana y del medio ambiente. Para obtener más información sobre la eliminación de residuos de equipos eléctricos y electrónicos, su recuperación y los puntos de recogida, póngase en contacto con su servicio local de eliminación de residuos, su ayuntamiento, la tienda donde compró el equipo o el fabricante.

Cumplimiento con RoHS

Este producto cumple la Directiva 2011/65/CE del Parlamento y el Consejo Europeo de 8 de junio de 2011 sobre restricciones a la utilización de determinadas sustancias peligrosas en aparatos eléctricos y electrónicos (RoHS) y sus enmiendas.

La escucha prolongada de sonidos a un nivel de volumen elevado podría provocar lesiones auditivas.

Importante

- Asegúrese de que el equipo permanezca instalado, situado y conectado de acuerdo con las instrucciones.
- No coloque ningún objeto sobre el equipo.
- No someta el equipo a niveles elevados de humedad, a la lluvia o a fuentes de calor.
- Mantenga el espacio necesario alrededor del equipo para favorecer su correcta ventilación.
- No intente abrir el equipo. Este tipo de operaciones debe ser realizado por personal técnico cualificado.

ITALIANO

Importanti istruzioni relative alla sicurezza

- Leggere attentamente le presenti istruzioni.
- Conservare le istruzioni.
- Prestare attenzione a tutte le avvertenze.
- Attenersi a tutte le istruzioni.
- Pulire esclusivamente con un panno asciutto.
- Installare l'apparecchio attenendosi alle istruzioni fornite dal produttore.
- Non collocare l'apparecchio accanto a sorgenti di calore (ad esempio termosifoni, stufe o altri apparecchi, inclusi gli amplificatori), che generano calore.
- Utilizzare esclusivamente gli inserti/accessori specificati dal produttore.
- Rivolgersi a personale qualificato per tutti gli interventi di assistenza. Gli interventi di assistenza si rendono necessari se l'apparecchio ha subito dei danni (ad esempio se il cavo di alimentazione o la spina sono danneggiati, è stato versato del liquido o sono caduti oggetti all'interno dell'apparecchio, l'apparecchio è stato esposto a pioggia umidità, non funziona normalmente o è stato fatto cadere). Non collocare sorgenti di fiamme libere, ad esempio candele accese, sull'apparecchio.

Con la presente Bang & Olufsen A/S dichiara che l'apparecchiatura radio di tipo Beocom EX è conforme alla Direttiva 2014/53/UE. Il testo completo della Dichiarazione di conformità è reperibile al seguente sito web: on.beo.com/beocom-ex-support.

Conformità con la Direttiva 2014/53/UE (RED)

Ai sensi degli articoli 10.8(a) e 10.8(b) della Direttiva RED, la seguente tabella fornisce informazioni sulle bande di frequenza utilizzate e sulla potenza massima di trasmissione in radiofrequenza dei prodotti in vendita nell'UE:

Gamma di frequenza	Potenza massima di trasmissione
2402-2480MHz	≤ 15 dBm
111-205 kHz	42.06 dBuV/m

Il firmware del prodotto è scaricabile dall'app Bang & Olufsen.

Accessori: unità Beocom EX cassa di ricarica EX, cavo per ricarica USB, guida rapida e informazioni importanti

Il presente prodotto viene venduto in tutti i Paesi membri dell'Unione Europea e AELS.

Italiano

WEEE

In caso di sostituzione della batteria con una di tipo errato, sussiste il rischio di esplosione. Smaltire la batterie usate osservando le istruzioni.

Il logo RAEE (illustrato a sinistra) sul prodotto o sulla confezione, indica che questo prodotto non può essere smaltito o scaricato insieme ai normali rifiuti domestici. È responsabilità dell'utente smaltire tutti i propri rifiuti elettrici o elettronici negli appositi punti di raccolta per tali rifiuti pericolosi. La raccolta isola e il corretto recupero dei rifiuti elettrici ed elettronici la momento dello smaltimento contribuisce a preservare le risorse naturali. Inoltre, il corretto riciclaggio dei rifiuti elettrici ed elettronici protegge l'ambiente e la salute umana. Per ulteriori informazioni sullo smaltimento, recupero dei rifiuti elettrici ed elettronici e i relativi punti di raccolta, rivolgersi alla propria amministrazione comunale, al servizio di raccolta rifiuti, al negoziante o al produttore dell'apparecchio.

Conformità RoHS

Questo prodotto è conforme alla Direttiva 2011/65/CE del Parlamento europeo e del Consiglio del 8 giugno 2011, sulla restrizione dell'uso di determinate sostanze pericolose nelle apparecchiature elettriche ed elettroniche (RoHS) e relativi emendamenti.

L'ascolto prolungato ad alto volume può danneggiare l'udito!

Importante!

- Verificare che il prodotto sia stato installato, posizionato e collegato in conformità con le istruzioni fornite.
- Non posare oggetti sopra il prodotto.
- Non esporre il prodotto a valori elevati di umidità, a pioggia o a fonti di calore.
- Lasciare spazio sufficiente intorno al prodotto per consentirne una ventilazione adeguata.
- Non tentare di aprire il prodotto. Queste operazioni sono esclusivamente di competenza del personale tecnico qualificato.

PORTUGUÊS

Instruções de segurança importantes

- Leia estas instruções.
- Guarde estas instruções.
- Preste atenção a todos os avisos.
- Siga todas as instruções.
- Limpe apenas com um pano seco.
- Instale de acordo com as instruções do fabricante.
- Não instale perto de fontes de calor como, por exemplo, radiadores, aquecedores, fogões ou outros aparelhos (incluindo amplificadores) que produzam calor.
- Utilize apenas peças/acessórios especificados pelo fabricante. Serviços de assistência técnica devem ser efetuados por técnicos qualificados. Será necessário encaminhar o aparelho à assistência técnica caso seja danificado de alguma forma, por exemplo, em caso de danos no cabo de alimentação ou na ficha, vertimento de líquido ou ingresso de objetos no interior do aparelho, exposição do aparelho a chuva ou humidade, funcionamento anormal ou queda do aparelho. Não colocar fontes de chamas desprotegidas (por exemplo, velas acesas) sobre o aparelho.

Pelo presente, a Bang & Olufsen A/S declara que o tipo equipamento de rádio Beocom EX está em conformidade com a Diretiva 2014/53/UE. A Declaração de Conformidade total pode ser encontrada no site Web seguinte:
on.beo.com/beocom-ex-support.

Em conformidade com 2014/53/UE, Diretiva relativa aos equipamentos de rádio (RED)

De acordo com o Artigo 10.8(a) e 10.8(b) da RED, a tabela seguinte fornece informações sobre bandas de frequência utilizadas e a potência de transmissão RF máxima do produto para venda na UE:

Intervalo de frequência	Potência máx. de transmissão
2402-2480MHz	≤ 15 dBm
111-205 kHz	42.06 dBuV/m

O firmware do produto está disponível para transferir a partir da Bang & Olufsen App. Acessórios: unidade Beocom EX, EX caixa de carregamento, cabo de carregamento USB, Guia de início rápido e Informações importantes. O produto vai ser vendido em todos os membros da União Europeia e países EFTA.

Risco de explosão se a bateria for substituída por um tipo incorreto. Elimine as baterias gastas de acordo com as instruções.

WEEE

Português

O logótipo WEEE (mostrado à esquerda) no produto ou na respetiva caixa indica que este produto não deve ser eliminado ou despejado com os restantes resíduos domésticos. O utilizador é responsável por eliminar todos os equipamentos eletrónicos ou elétricos através do envio para o ponto de recolha especificado para reciclagem desses resíduos perigosos. A recolha isolada e a reciclagem adequada de equipamentos eletrónicos e elétricos inutilizados no momento da eliminação permitem-nos ajudar a proteger os recursos naturais. Além disso, a reciclagem adequada dos equipamentos eletrónicos e elétricos inutilizados assegura a segurança da saúde humana e do meio ambiente. Para obter mais informações sobre a eliminação de equipamentos eletrónicos e elétricos, reciclagem e pontos de recolha, entre em contacto com os serviços municipais, serviço de eliminação de resíduos domésticos, loja onde adquiriu equipamento ou o fabricante do equipamento.

Em conformidade com a norma RoHS

Este produto está em conformidade com a Directiva 2011/65/CE do Parlamento Europeu e do Conselho, de 8 de junho de 2011, relativa à restrição da utilização de determinadas substâncias perigosas em equipamentos elétricos e eletrónicos (RoHS) e respetivas alterações.

A audição prolongada com níveis de volume elevados poderá causar lesões auditivas.

Importante!

- Certifique-se de que o produto seja instalado, posicionado e ligado em conformidade com as instruções.
- Não coloque quaisquer objetos sobre o produto.
- Não sujeite o produto a humidade elevada, chuva ou fontes de calor.
- Deixe espaço suficiente à volta do produto para possibilitar uma ventilação adequada.
- Não tente abrir o produto. Essas operações devem ser efetuadas por profissionais de assistência técnica qualificados.

備考1. “超出0.1 wt %”及“超出0.01 wt %”係指限用物質之百分比含量超出百分比含量基準值。備考2. “○”係指該項限用物質之百分比含量未超出百分比含量基準值。

備考3. “-”係指該項限用物質為排除項目。

- 本電池如果更換不正確會有爆炸的危險，請依製造商說明書處理用過之電池

- 不得拆卸充電盒。重組不當會導致火災或人員受傷的風險。

- 不得拆卸、擠壓或將充電盒拋入火中或置於高溫中。置於火中或溫度超過 212° F (100° C) 的環境中會導致爆炸。

CANADA

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

1. This device may not cause interference.
2. This device must cause undesired operation of the device. accept any interference, including interference that may cause undesired operation of the device.

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

1. L'appareil ne doit pas produire de brouillage;
2. L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

CAN ICES-003(B)/NMB-003(B)

Radiation Exposure Statement:

The product comply with the Canada portable PF exposure limit set forth for an uncontrolled environment and are safe for intended operation as described in this manual. The further RF exposure reduction can be achieved if the product can be kept as far as possible from the user body or set the device to lower output power if such function is available.

Déclaration d'exposition aux radiations:

Le produit est conforme aux limites d'exposition pour les appareils portables RF pour les Etats-Unis et le Canada établies pour un environnement non contrôlé. Le produit est sûr pour un fonctionnement tel que décrit dans ce manuel. La réduction aux expositions RF peut être augmentée si l'appareil peut être conservé aussi loin que possible du corps de l'utilisateur ou que le dispositif est réglé sur la puissance de sortie la plus faible si une telle fonction est disponible.

Product serial number can be found on the charging case and regulatory markings on the approbation label on the product and packaging.**KOREA**

Federal Communication Comission Interference Statement

This general equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limites are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the seperation between the equipment and the receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC Caution: Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

Supplier's Declaration of Conformity

FCC Compliance Statement (e.g., products subject to Part 15)

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

IMPORTANT NOTE:

FCC Radiation Exposure Statement:

The product comply with the US portable RF exposure limit set forth for an uncontrolled environment and are safe for intended operation as described in this manual. The further RF exposure reduction can be achieved if the product can be kept as far as possible from the user body or set the device to lower output power if such function is available.

This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

UK

Frequency range (MHz)	Max. Transmit Power (dBm)
2402-2480MHz	≤ 15 dBm
111-205 kHz	42.06 dBuV/m

UK Compliance Information

Hereby, Bang & Olufsen A/S, declares that this device is in compliance with Radio Equipment Regulations 2017.

The full text of the UK Declaration of Conformity is available at the following internet address: on.beo.com/beocom-ex-support

SAR Compliance

In order to protect human health, this device meets the thresholds for exposure of the general public to electromagnetic fields according to Council Recommendation 1999/519/EC.

These earbuds are classified as a CLASS 1 LASER PRODUCT according to EN / IEC 60825-1:2014.

Complies with FDA performance standards for laser products except for conformance with IEC 60825-1 Ed. 3., as described in Laser Notice No. 56, dated May 8, 2019.

Caution – Connect the device to a power socket with an earth conductor. Defective earth conductor connections do not comply with the requirements for safety and electromagnetic compatibility. Check the power socket before connecting the hardware appliance.

Attention – Raccordez l'appareil à une prise de courant avec un conducteur de terre. Les connexions défectueuses du conducteur de terre ne sont pas conformes aux exigences de sécurité et de compatibilité électromagnétique. Vérifiez la prise de courant avant de brancher l'appareil.

Caution – Use of controls or adjustments or performance of procedures other than those specified herein may result in hazardous radiation exposure.

Attention – L'utilisation des commandes ou réglages ou l'exécution des procédures autres que celles spécifiées dans les présentes exigences peuvent être la cause d'une exposition à un rayonnement dangereux.

Use of the Made for Apple badge means that an accessory has been designed to connect specifically to the Apple product(s) identified in the badge and has been certified by the developer to meet Apple performance standards. Apple is not responsible for the operation of this device or its compliance with safety and regulatory standards.

General Conditions

Genuine Bang & Olufsen EX products ("Bang & Olufsen EX Products") are covered by this limited warranty (the "Warranty"). To claim any rights under this Warranty, the original invoice received at the time of purchase of the Bang & Olufsen EX Product must be presented to Bang & Olufsen.

This Warranty covers all defects that may arise in the Bang & Olufsen EX Product within the warranty period. For Bang & Olufsen EX Products purchased in the European Union, Norway, Iceland, Liechtenstein and Switzerland, the warranty period commences upon the date of purchase by the first consumer purchaser and continues for the following 24 months after that date and for Bang & Olufsen EX Products purchased outside of the European Union, Norway, Iceland, Liechtenstein or Switzerland, the warranty period commences upon the date of purchase by the first consumer purchaser and continues for the following 12 months after that date (the "Standard Warranty Period"). The consumer may extend its warranty period with up to 36 months, meaning 12 months for Bang & Olufsen EX Products purchased in the European Union, Norway, Iceland, Liechtenstein and Switzerland and 24 months for Bang & Olufsen EX Products purchased outside of the European Union, Norway, Iceland, Liechtenstein or Switzerland (the "Extended Warranty Period"), by registering its new Bang & Olufsen EX Product in the Bang & Olufsen app. The Standard Warranty Period and the Extended Warranty Period shall together be referred to as the Warranty Period.

If a defect covered by the Warranty arises within the Warranty Period and your Bang & Olufsen EX Product is applicable for online return, please make your claim at: <https://www.bang-olufsen.com/support>

If the online return tool is not available in your country or if the Bang & Olufsen EX Product is not applicable for the tool, please contact the legal entity stated on the original invoice for the Bang & Olufsen EX Product.

Coverage

Bang & Olufsen warrants that the Bang & Olufsen EX Product is free from defects in material and workmanship under normal use and service for the Warranty Period.

Bang & Olufsen EX Products are products of superior design and craftsmanship and should be treated with care. Procedures and suggestions on proper use and maintenance of Bang & Olufsen EX Products and its internal components should always be followed.

Thus, this Warranty is conditioned upon proper use of the Bang & Olufsen EX Product within the Warranty Period.

The Warranty does not cover:

- Defects which have been caused by wrongful use, incorrect and/or unauthorized installation, incorrect repairs/modifications, or maladjustment of the Bang & Olufsen EX Product, or neglect, including but not limited to "burn in" of plasma or OLED displays, overdriving of speakers and similar wrongful use;
- Defects resulting from usage of the Bang & Olufsen EX Product in conjunction with accessories that are not approved by Bang & Olufsen;
- Defects which have been caused by lightning, fire, water, voltage fluctuations, improper ventilation or other events of force majeure beyond the control of Bang & Olufsen;
- Consequential damage, indirect or direct loss or any related expenses claimed under the Warranty, such as but not limited to loss from inability to operate the Bang & Olufsen EX Product or costs connected with rent of substitution products;
- Software and content provided by third parties or problems occurring due to modifications made by the software provider;

- Field assistance for problems that can be solved with online software updates. It is the customer's responsibility to provide network connection for these updates;
- Problems occurring with network/wireless connection caused by external effects present locally only and not impacting functionality in other locations not experiencing such external effects. To obtain information about the functionality of specific purposes, please contact Bang & Olufsen;
- Defects in consumables (i.e. components that are expected to require regular replacement such as but not limited to batteries) as well as defects caused by overcharging;
- Unreasonable costs or expenses related to modifications or demolitions of the space in which the Bang & Olufsen EX Product is placed during the process of repair; and/or
- Costs for cleaning the screen due to external influences.

Defects claimed under the Warranty are rectified at Bang & Olufsen's discretion within the rules of the marketing and consumer law.

Rectification is ensured by way of (i) repairing the defective Bang & Olufsen EX Product, (ii) inserting remanufactured parts into the Bang & Olufsen EX Product, and/or (iii) replacing the Bang & Olufsen EX Product with a new product equivalent in performance and reliability to the Bang & Olufsen EX Product. Replacement of limited or special edition Bang & Olufsen EX Products depends on the availability of the Bang & Olufsen EX Products in question. Where the Bang & Olufsen EX Product cannot be repaired (damage is considered as total loss) and where exchange is not feasible, compensation is offered on a pro-rata basis of the purchase price.

All exchange modules become property of Bang & Olufsen.

Exclusions and limitations

Bang & Olufsen is not liable for the damage or loss of any programs, data and/or media content during the repair process. Bang & Olufsen strongly recommends customers to ensure that, if possible, all data is backed up prior to requesting repair services from Bang & Olufsen. The Warranty will not operate if the serial number has been defaced or altered or if non-authorized modifications in the software have been made.

In countries with governmental requirements on specifically developed versions of Bang & Olufsen EX Products, e.g. due to varying transmission systems and approval demands, and the defect or malfunction is caused by the usage of other versions than required in the specific country, this Warranty does not apply. To obtain information about usage of the Bang & Olufsen EX Product in several countries, please contact the legal entity stated on the original invoice for the Bang & Olufsen EX Product.

All implied warranties, including without limitation, implied warranties of merchantability and fitness for a particular purpose, are limited to the duration of this Warranty. In no event shall Bang & Olufsen be liable for damages in excess of the purchase price of the Bang & Olufsen EX Product or for, without limitation, commercial loss of any sort; loss of use, time, data, reputation, opportunity, goodwill, profits or savings; inconvenience; incidental, special, consequential or punitive damages; or damages arising from the use or inability to use the Bang & Olufsen EX Product.

Bang & Olufsen makes no warranties or representations, express or implied, statutory or otherwise, as to the quality, capabilities, operations, performance or suitability of any third-party software or equipment used in conjunction with the Bang & Olufsen EX Product, or the ability to integrate any such software or equipment with the Bang & Olufsen EX Product, whether such third-party software or equipment is included with the Bang & Olufsen EX Product

Bang & Olufsen makes no warranties or representations, express or implied, statutory or otherwise, as to the quality, capabilities, operations, performance or suitability of any third-party software or equipment used in conjunction with the Bang & Olufsen EX Product, or the ability to integrate any such software or equipment with the Bang & Olufsen EX Product, whether such third-party software or equipment is included with the Bang & Olufsen EX Product distributed by Bang & Olufsen or otherwise. Responsibility for the quality, capabilities, operations, performance and suitability of any such third-party software or equipment rests solely with the user and the direct vendor, owner or supplier of such third-party software or equipment. Nothing contained in the user manual or any other document shall be construed to create an express warranty of any kind with respect to the Bang & Olufsen EX Product. No agent, employee, dealer, representative or reseller is authorized to modify or extend this Warranty or to make binding representations or claims, whether in advertising, presentations or otherwise, on behalf of Bang & Olufsen regarding the Bang & Olufsen EX Products or this Warranty.

Severability

If any portion of this Warranty is held to be illegal or unenforceable, such partial illegality or unenforceability shall not affect the enforceability of the remainder of the Warranty.

Consumer's legal rights

This Warranty is provided in addition to the rights and remedies granted by the seller of the Bang & Olufsen EX Product or granted under applicable legislation. Any and all remedies (e.g. rectification, claim for damages, and/or right to terminate the contract) granted by the seller of the Bang & Olufsen EX Product or available by law remain unaffected by this Warranty.

For the Australian market only: Bang & Olufsen EX Products are subject to the guarantees provided under the Australian Consumer Law. You are entitled to a replacement or refund for a 'major problem' and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the Bang & Olufsen EX Product repaired or replaced if the Bang & Olufsen EX Product fails to be of acceptable quality and the problem does not amount to a 'major problem'.

For the US market only: Some states do not allow the exclusion or limitation of incidental or consequential damages. Thus, the above limitations or exclusions may not apply to you. This Warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

For the People's Republic of China market only: The Warranty only applies to Bang & Olufsen EX Products imported by Bang & Olufsen Enterprise Management (Shanghai) Co. Ltd. and purchased from Authorised Resellers selling from physical stores located or authorized online stores hosted in the People's Republic of China or legally imported in connection with an end-user's properly documented relocation to the People's Republic of China. Bang & Olufsen EX Products purchased in Hong Kong, Macau or Taiwan or elsewhere outside the People's Republic of China are excluded from the Warranty but subject to the applicable legislation in the relevant market of purchase. Import, sale and use of specific Bang & Olufsen EX Products in the People's Republic of China is subject to China Compulsory Certification (CCC), obtained from the above mentioned authorized stores located or hosted in the People's Republic of China at the time of purchase or upon appropriate documentation of relocation to the People's Republic of China for Bang & Olufsen EX Products purchased abroad.

For Hong Kong and Macau markets only: The Warranty only applies to Bang & Olufsen EX Products imported by Bang & Olufsen Limited and purchased from authorized physical stores located or authorized online stores hosted in Hong Kong or Macau, or legally imported in connection with an end-user's properly documented relocation to Hong Kong or Macau. Bang & Olufsen EX Products purchased outside Hong Kong or Macau are excluded from the Warranty but subject to the applicable legislation in the relevant market of purchase.
