

Contemporary design classic

Contemporary design and powerful sound in a portable Bluetooth speaker. Crafted with long-lasting, premium materials, Beolit 20 looks beautiful wherever you place it. 240 watts of peak power means the speaker delivers outstanding sound for any situation – whether immersing yourself in music alone or with a large group. And if you need more precision, you can customise your sound experience with the Bang & Olufsen app.

The speaker provides up to 8 hours playtime at typical listening volumes, and can be used as an extra charge for your mobile phone and other compatible devices using its wireless Qi charging surface.
